

Suncrylic is Galtech's exclusive solution-dyed blended fabric. The solution-dyed method locks the color into the fiber, insuring that the color will not fade with exposure to UV rays. Galtech warrants the Suncrylic fabric for a period of one year from date of purchase.

Note: Quick ship fabrics are available in 9' sizes. For other sizes refer to Sugg. Retail Price List. Galtech does not guarantee color accuracy of fabrics based on our website. For exact color accuracy, see our 2018 swatch book at a local Galtech Dealer.
